

# Requirements

The RefinedWiki Mobile Interface 3.x is compatible with Confluence 4.3.7 and above.

## Supported Mobile Browsers

Officially supported mobile browsers are:

Mobile Browsers	Device OS version
iOS Safari	6.0 -
Android Browser	4.x
Android Firefox	2.3 -
Windows Phone (IE mobile)	8.x

**Please Note:** These are the browsers we officially support. RefinedWiki Mobile Interface is a web based mobile interface and will work well with most modern mobile browsers.
